Dear Dr Bucciarelli-Ducci

CPD Accreditation

Thank you for your application for CPD approval. I am pleased to inform you that The Royal College of Radiologists (RCR) has awarded the following CPD credits:

Course Name: Cardiac MRI course in Jeddah
Course Date(s): 9 – 11 November 2014
RCR CPD Credits Awarded:

Twenty One (21)
Day One – Seven (7)
Day Two – Seven (7)
Day Three –Seven (7)

RCR CPD approval is valid for a period of 12 months from the date of the first event in the application. Should an event be repeated within this period with changes to the programme, renewed approval will be required and organisers must submit a new application. If repeated without changes within 12 months then resubmission is not required. A new application for CPD approval must be made for all annual events.

Please indicate on all course advertising that the RCR has awarded the above number of CPD credits. The RCR encourages organisers to advertise approved courses on the RCR website at www.rcr.ac.uk/cpdadvertcr.

This credit award will apply to CPD participants of all Medical Royal Colleges and Faculties. It is not necessary to seek separate CPD approval for each specialty.

A copy of the Guidance for Event Organisers is enclosed for your information. The organising body is responsible for issuing attendees with an attendance certificate and a recommended format is included in the Guidance. It is not permitted to reproduce the RCR logo on course advertising or attendance certificates.

Should you have any queries regarding the above, please contact cpd@rcr.ac.uk.

Yours sincerely

pp Dr D L Richardson
Revalidation & CPD Lead, Faculty of Clinical Radiology
The Royal College of Radiologists
